Field status reminder: there are two ways to check field status: call 703-761-1601 or go to www.mcleansoccer.org/fieldstatus. Please note that field status is updated only when there are closed fields; so if you see or hear a prior date then you can assume your field is open. The only exception is for fields that are closed for the season.

Trash Reminder: Please pick up all your trash before you leave your practice or game. This is becoming especially important as it gets dark at the end of practices and games. Please look around and keep are field clean.

HOUSE LEAGUE TEAM WEBSITE

We have our first house league team website. Check out the Donohue/Signori Green Snakes at <http://www.mcleansoccer.org/web/baserenderer.aspx?itemid=2685>. Set up your own. Follow the link www.mcleansoccer.org/houseteams and see how to do it! It's fun for your team.
